## MASTER IN ECONOMICS

2006/2007

Join us to study economics  
with students from different countries  
in one of the leading economics departments in Italy!

- **COURSES:** Microeconomics, Macroeconomics, Mathematics, Statistics, Econometrics, Game Theory
- Weekly seminars in all the main fields
- All courses will be taught in English
- **ADMISSION REQUIREMENTS:** Bachelor Degree in Economics or related fields and a good knowledge of English
- Students successfully completing the requirements for the Master may be admitted to the courses for the M.Phil. (laurea magistralis) and the Ph.D.
- One academic year: October 2006 – June 2007

Students will be guided through the programme under close supervision from senior academics of international reputation who are full time members of the Economics Department at the University of Bologna.
